A man with dark hair and light eyes is shown in profile, looking to the left. He is wearing a dark grey or black suit jacket over a white dress shirt and a green tie with a repeating gold-colored pattern. A white pocket square is visible in the breast pocket of his jacket. The background is a wall of glass blocks, each containing a different pattern of leaves or flowers in various colors like green, brown, and white. The lighting is soft, highlighting the man's features and the texture of the suit.

## CLASSIC BUSINESS

Wool Linen Suit is a great option for getting into the world of custom clothing, and an even better choice for any cocktail event this summer. Soft, lightweight, and breathable, our Wool Linen Suit can go with you anywhere when the temperature starts to rise, and is as equally versatile as it is cool. We recommend constructing it with lightweight canvassing, no interior lining, and as little shoulder padding as you've comfortable with.
